Congratulations on ending Memorabilia!!! I still remember when the launch announcement dropped on dA; its been a blast watching it grow all the way from start to finish ♥ I'll miss it after so many years, but I'm super excited for whatever new works you'll be publishing!

Memorabilia has been such an inspiration to me. It's definitely one of my favorite webcomics! I'll miss it, but I know whatever you make next will be just as amazing!

It feels so odd to see this story come to an end after all the years I have been reading it, but it is still as magical and fantastic as the first day I picked it up. Thank you for bringing us all joy with your beautiful story and your lovely art, I cannot wait to see what you do next, and I will truly miss Memorabilia ♡

Gonna miss Memorabilia but I'm ready to sink my teeth into whatever you put out next like a wall-crawling cryptid. You'll always be one of my biggest inspirations <3
